

‘The Dunnington family working together to achieve our best’

THE GOVERNING BODY

Stuart Slaughter, Chairperson

I joined the governing body shortly after my son started in Reception in 2008. I very much wanted to join as I was also a pupil of the school between 1975 and 1982. After six years, two as Vice Chairperson, I am now the Chair of Governors and sit on both the Performance & Standards and Resources & Management Committees. As Co-Founder and Managing Director of a business I bring a wealth of business experience to the board.

Outside of work and school, I love watching classic films and most sports, particularly Rugby, Formula 1 and Tennis and you can find me at most Worcester Warriors home games.

Suzy Fryer, Vice Chairperson

I have been a governor for nearly four years. I am a Foundation Governor which means that I ensure that the principles of our Church are incorporated into all aspects of school life. Also, all Foundation Governors have a special responsibility to make sure that the terms of the School's Trust Deeds are adhered to. Additionally I am the ex officio governor, which means I represent the Vicar on the Governing Body.

I was brought up on a farm in Buckinghamshire and although my main qualification is in Agricultural Engineering, I have spent most of my working life in Personnel Management and Human Resources. I am married and I live in Wixford.

Aileen Hathaway

I have previously been a parent of a child at Dunnington during which time I took an active interest in the school being the Treasurer of the Friends for four years and involved with running the Children's University embroidery courses. Consequently I am keen to see the continued success of the school.

I have an interest in and experience of SEN and have recently taken on the SEN Governor Role with responsibilities as outlined in the SEN Information Report on this website. I meet on a regular basis with the SENCO to review monitoring information and discuss any relevant issues e.g. the implementation of the Children and Families Act 2014.

In my working life I have been a Chartered Accountant and involved with financial management in both the manufacturing and care/education sector. As well as attending full governing body meetings I serve on the Resources and Management Committee currently as chairperson. I am involved with Dunnington Baptist church and my home interests include walking, gardening, baking and choir singing.

Hilary James

My name is Hilary James and I have lived in Dunnington for 8 years. I attend Dunnington and Broom Baptist Church, but was baptised a Methodist and confirmed into the Church Of England! I was asked to represent the Baptist Church as a member of the School Governing Body and this is my fifth year. I am a member of the Performance and Standards sub-committee and also the Governor with responsibility for Safeguarding. My professional life was spent in Secondary education, and I really enjoy seeing education at the Primary level. I have four children, including one foster child through fostering with Warwickshire. I am also involved with a charity, Teams 4U, which works throughout the year in Eastern Europe and Uganda, as well as sending Christmas shoeboxes: the collection centre for the UK for donations (clothes/educational items/medical supplies/household items) is Dunnington Baptist Church, so please feel free to contact me if you have any donations!
