Monday 28<sup>th</sup> April 2014

Dear Parents / Carers,

**RE: Growing Up Talk**

On Monday 19<sup>th</sup> May, your child will be taking part in the year 6 'Growing Up' talk with the school nurse. The children will take part in an hour's session about puberty. Both boys and girls will be working together with the school nurse and will cover the following:

- Changes that happen on the outside of the body
- Changes that take place inside the body e.g. reproductive organs
- Puberty and boys / Puberty and girls / Puberty and sexual intercourse

On **Wednesday 14<sup>th</sup> May at 3:30pm**, the school nurse will be showing the DVD that the children will watch during their session. If you would like to watch the videos prior to this event, then all parents and carers are welcome to attend. It will also provide opportunities to ask any questions about the content shown. Care facilities will be provided for those children that are here with their parents.

If you are able to attend, then please let me know.

Kind regards,

Miss Thomas
