

Dear Parents/Carers,

We now have access to a wonderful website called Oxford Owl, which will enable you to share a fantastic collection of ebooks with your child/ren. These are the instructions to navigate and log on to the website. It is possible to choose to listen to the book being read aloud or mute the sound and read it yourself. There are follow up activities you can complete after reading the book which will help to reinforce the children's comprehension skills.

Log on to <http://www.oxfordowl.co.uk/>

Click on

Use these details to log in (case sensitive) *Username: Blueclass*  
*Password: Dunnington*

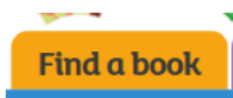

Click on
