Washing my hair.

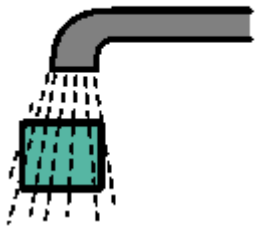

wash hair

1	Washing my hair	My hair can get dirty, greasy and smell yuck.	When I wash my hair it will be clean	When I wash my hair it will smell nice.
	wash hair 	smelly  yucky 	wash hair  clean 	wash hair 

2	I can wash my hair in the shower or in the bath or in the sink	First I get my hair wet.	Then I will put a little shampoo on my head and lathe all my hair.	Then I will rinse my hair until all the shampoo is out
				

3	The shampoo will smell nice.	I will try not to get shampoo in my eyes.	I can keep my eyes shut So shampoo does not go in my eyes.	I can wipe my eyes with a washer, if I get shampoo in my eyes.
				

4	I wash my hair with shampoo	I will rinse off the shampoo with clean, warm water.	I will dry my hair.	I will comb my hair
	shampoo 	rinse 	towel  	comb
