Washing my hands

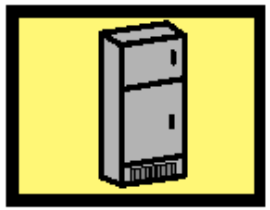

wash hands

1	I need to Wash my hands every day.	My hands touch many things each day and get dirty	I will do a good job washing my hands with soap and water	When I wash my hands. My hands will be clean for a while
	wash hands 	dirty hands 	soap 	

2	I need to Wash my hands every day.	Dirty hands can sometimes make me sick.	I will do a good job washing my hands with soap and water	I need to wash my hands with soap and water so they will be clean
	wash hands 	dirty hands 	soap 	clean 

3	Wash your hands. After I blow and wipe my nose	Wash your hands. After using the toilet.	Wash your hands. When I am cooking or eating food.	Wash your hands. When my hands are messy and dirty
				

4	Wash your hands	In the bathroom.	In the kitchen.	In the classroom.
	wash hands 	wash 	kitchen  sink 	classroom 

5	Turn on the tap.	I can use hot water. Be careful	I can use cold water.	I can use hot & cold water. This makes the water warm This is good
	turn on 	hot 	cold 	warm water 

6	Put my hands in the water	Use soap.	Rub in the soap on both sides of my hands. I need to get the soap all over my fingers and hands.	Wash off the soap.
	wash hands 	soap 	apply soap 	wash hands 

7	Dry my hands.	Use a paper towel.	Put the paper towel in the bin.	Or use a towel.
