Mobile Phones in School Policy

We Care, We Believe, We Succeed – Together

Our Christian Vision

'Encourage one another and build each other up' (1 Thessalonians 5: 11)

Our Vision is to place the child at the heart of everything we do. It is to work together, where everyone encourages each other to be a partner in learning.

We aim to provide a safe, happy, caring and stimulating community, where every child is given the opportunity to reach their true potential and to celebrate their successes. Within our learning environment, children will:

- develop a thirst for knowledge, they will be encouraged to raise questions and develop their thinking and learning skills.
- develop physically, emotionally and spiritually, ensuring they are equipped for the ever-changing and demanding world in which we live.

In our school we will:

- respect each other's beliefs
- care for each other and the environment
- connect with the wider community

In learning and teaching we will set high standards and aspire for excellence in everything we do, ensuring that our curriculum is relevant and purposeful. We are determined to create an inclusive culture of learning where all children are challenged in their thinking, discover their talents, achieve to the best of their abilities and become motivated and resilient life-long learners.

1. Aims

At Dunnington CofE Primary School, we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

2. Roles and Responsibilities

2.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Headteacher is responsible for monitoring the policy, every three years, reviewing it, and holding staff and pupils accountable for its implementation.

3. Use of mobile phones by staff

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number, (01789) 772200 as a point of emergency contact.

3.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard). More detailed guidance on data protection can be found in our school's Data Protection policy.

3.3 Safeguarding

Staff must refrain from giving their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

3.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

However, in the first instance, staff members should always sign-out authorised, school mobile phones and it is only if these are not available that a personal mobile phone can be used. This must first be authorised by the Headteacher.

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

3.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

4. Use of mobile phones by pupils

Pupils are not allowed to bring mobile phones to school. However, in some cases, as described below, if they do not to bring a mobile phone to school, it must be handed in to the school office on arrival. Circumstances include:

- Pupils travelling to school by themselves
- Pupils travelling by car with parents/carers (ideally, phone to be left with parent when pupil reaches school)
- Pupils travelling to school via public transport
- Young carers who need to be contactable

Personal phones/tablets that are internet enabled and have cameras are not allowed on school trips during the day or at after school clubs (specific personal circumstances will be considered on a risk-assessed basis).

4.1 Sanctions

If a pupil is in breach of this policy, school are permitted to confiscate phones from pupils under sections 91 and 94 of the Education and Inspections Act 2006.

School staff have the power to search pupils' phones, as set out in the guidance on searching, screening and confiscation. The DfE guidance allows schools to search a pupil's phone if we have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

If they are confiscated, parents/carers will be contacted to collect the phone/device.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

5. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

6. Loss, theft or damage

Pupils bringing phones to school must ensure that phones are appropriately labelled and are stored securely when not in use.

Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.#

Confiscated phones will be stored in the school office in a secure location until collected. Phones that are found and appear to be lost should be handed in to the school office. The school will then attempt to contact the owner.

7. Monitoring and Review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from teachers
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority or other relevant organisations
